

AVO Series (55,55G,65,65G) - Graphics Assembly Instructions

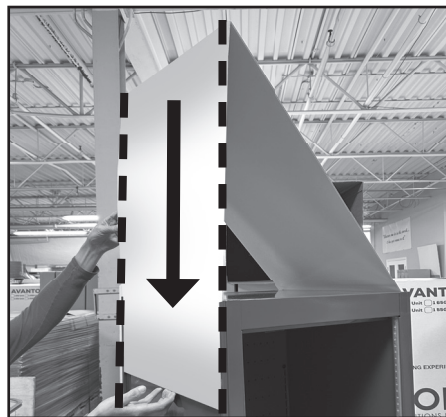

Graphics Included:

- 1) Side Panels x2
- 2) Magnetic Header x1
- 3) Shelf-Strips x4
- 4) Footer x1

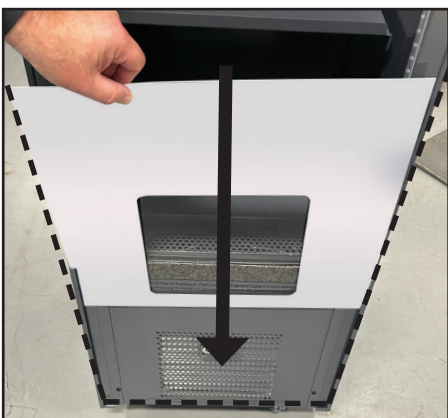

1) Locate the Left and Right side panels.

2) Insert a panel into the j-track as shown. Fold backward and stop at the center fold.

3) Angle the remaining portion forward and slide down & into the j-track. Repeat for the other panel.

4) Locate the Footer. Insert the Footer into the j-track on the bottom front of the AVO as shown.

5) Locate and attach the Magnetic Header to the front of the AVO.

6) Locate the Shelf-Strips (x4). Insert the strip into the clear plexiglass holder as shown. Repeat for the remaining strips.
